

YWAM ADVENTURE: Phase One

New Zealand

*Twelve weeks of
discipleship training*

I have been overwhelmed by the outpouring of love and support that has come from so many of you! My prayer team is in place and provision for my financial support has been humbling. As we partner together, I look forward to what God will reveal to me of Himself. I know that these months will produce more fruit than I can dream or imagine! Ephesians 3:20-21

With only one week remaining before my departure, I have been busy packing and saying my goodbyes. I'm especially concerned that I can stay in touch with you during this time. I look forward to sharing with you the ups and downs of my experience. Being so far away, it will be important to me to have a true sense that we are still connected. I will need your prayers, but I will also need your words, so please write. Text, email or face time welcome!

To answer a few of your questions: New Zealand is 18 hr. ahead of EST. It is now late summer and the temps are 50-60's. I don't know yet where I will go for outreach, but it could be anywhere God leads! Oxford is farm country on the South Island in the foot of the southern alps.
